

James "David" Finan

September 22, 1969 - March 18, 2020

James Finan, known by most as David, died on March 18, 2020 at the ripe young age of 50 in Dayton. David loved his family very much, even through all the things they had been through. He liked nature because it fascinated him. He always said that it was wonderful the way God, our Father, made it. David enjoyed going camping with his family as often as he could. He liked to just be out in nature looking up at the stars, marveling at how bright and beautiful they are, what our Father made for us. David's life was filled with mistakes, but in the end, the Father finally got through to him. He always said that God was watching over him because he had such a wonderful life, which could have ended differently. He is survived by his wife of 28 years, Kathleen "Michele" Finan (Hogan), children: James David Finan Jr., Glenn Thomas Finan, and Rosemary Michele Finan, mother: Edna North, siblings: William Finan, Donna Meadows, Edna Poor, Marlene North, Darlene Terry, and SueAnne North, and numerous nieces, nephews, relatives, and friends. Interment will be held privately at Minnich Cemetery in Union. In lieu of flowers, donations can be made to the family for funeral expenses. Kindred Funeral Home is handling arrangements.
