“ I worked closely with Lauri for many years at Rushmore. She was one of the kindest and sweetest ladies I've ever met. We had many serious talks and great laughs together. I will hold her memory dear to my heart. Prayers fir all of you - she loved her family so

“ I was very sad to hear of Laurie's passing. I took over for Laurie when she retired from Rushmore and it made her happy that I was a UD grad also. Laurie came in on her own time and shared her lesson plans and many teaching materials that she had accumulated over the years. It was clear that she was a great teacher and put a great deal of her time and talent into the children she taught.

“ I was so sorry to hear about Lauri. We worked together at Concord UMC and had some good times together, shopping, eating out and a great, fun trip to Chicago a few years ago. I know how proud she was of her family.

“ I remember when Laurie was a new substitute teacher in Huber Heights. I think she subbed for me at both Titus and Rushmore, but definitely at Rushmore. She always had a smile and good control of her class. Then Laurie was hired to teach full time and she became a part of the wonderful Rushmore family of the 1980's and 90's when teaching was a joy and students learned responsibility for self and others and to be informed citizens of the community, both small and large. Laurie will always be a part of my heart. Dora Lawson
